

Currently reading Elaine McCluskey's kick-ass new book. The tone is wry and consistently laugh-out-loud funny. The characters are real and recognizable. The writing is amazing (naturally). I've waited too long to read this wonderful book. Don't make the same mistake. *Rick Conrad*

I read [@ElaineMcCluskey](#)'s latest on our weekend camping trip. Oldest son kept asking why I was laughing so hard.

[@KerryReads](#), how are you with the Heimlich? Reading Elaine McCluskey's *The Most Heartless Town in Canada*, laughing so hard I choked.
